

Do you care about health care for underserved populations?

Are you interested in primary care, especially Family Medicine?

Do you want to help eliminate health disparities?

Then join us for

# Partnering for Our Patients' Future

A collaboration of the  
American Academy of Family Physicians  
Family Medicine Interest Group Network  
&  
Student National Medical Association

With many common goals and interests, local SNMA and FMIG chapters are invited to increase collaboration in a variety of ways:

Co-sponsored workshops and panels  
Community Outreach/Patient Advocacy Projects  
Liaison positions in the leadership structure  
Cross-promotion of national conferences & leadership opportunities

Look for monthly updates on the regional AAFP FMIG network listservs and the SNMA National President Monthly Newsletter!
