

FMIG style guidelines

When using the FMIG logo with your medical school name or logo, please follow these style guidelines. This logo can be used online, in brochures, or for banners and T-shirts.

- Maintain the distance of “one flame” between the FMIG logo and your name. (See example.)
- School name may not extend beyond one “F” on either side of FMIG logo. (See example.)
- FMIG logo may be printed only in Pantone Cool Grey 11 and 145 or black.
- School name may be printed in any color.
