

Cyber guide

for students

VIRTUAL FMIG:

<http://fmignet.aafp.org>

Explore family medicine, specialty choice, residency, medical school survival, and more on the Academy's dedicated student website.

www.aafp.org/debtmanagement

AAFP's Debt Management Guide reveals ways to limit your total cost and manage your school debt. Learn what you need to know before, during, and after medical school.

<http://fmignet.aafp.org/strolling>

Navigate the residency match process with *a Student's Guide to Strolling Through the Match*. Revised annually by the AAFP, this resource is valuable to all medical school students.

<http://fmignet.aafp.org/hottopics.xml>

A new section dedicated to providing timely information on events, programs, and issues of interest to medical students.

<http://fmignet.aafp.org/wbef>

The Web based Educational Forum offers an interactive multimedia forum to educate medical students about specialty choice and the role of family medicine. Three "webisodes," including webinars, videos and podcasts, will highlight the diverse facets of family medicine and the unique areas of the specialty.

NATIONAL CONFERENCE:

www.aafp.org/nc

The National Conference of Family Medicine Residents and Medical Students could be the most important event you attend all year. Check out the workshops, networking opportunities, scholarship options, and social events.

CLINICAL OPPORTUNITIES:

www.aafp.org/residencies

Identify the right residency program for you. A searchable directory of all ACGME-accredited U.S. family medicine residency programs. Review faculty, staff, size, salaries, and more.

www.aafp.org/clerkships

Planning your required and elective rotations? Identify third- and fourth-year rotations that you can pursue to increase your clinical experience in family medicine.

www.aafp.org/fellowships

Family physicians can pursue fellowships in a variety of focus areas ranging from adolescent medicine to sports medicine.

MEMBERSHIP:

www.aafp.org/join

Learn how becoming an AAFP student member can help you survive medical school and learn about family medicine. Join today.

INTERNATIONAL:

www.aafp.org/international

Learn how family physicians are ideally trained to address the varied demands of international medicine. Find international health care opportunities, an international discussion list, and more.

www.aafp.org/international/residencies

A directory for medical students looking for residency programs with international health opportunities.
